

# Authentication & Awards Winning

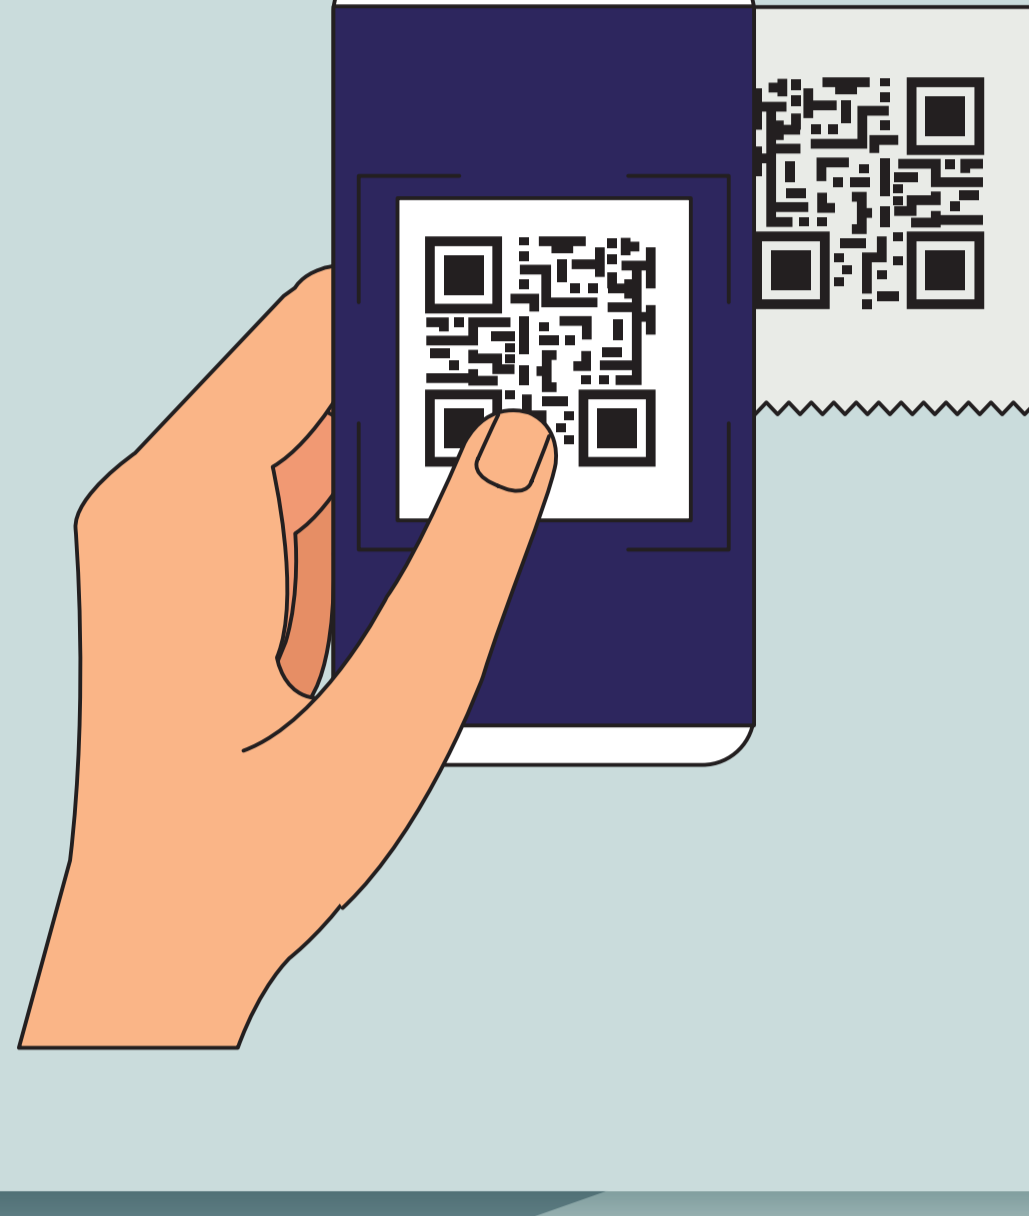

A complete anti-counterfeiting QR Code is printed on the outer packaging of each Cellglo product box

**\*Reasons to scan the anti-counterfeiting QR code\***

- 1) To confirm the product serial number and ensure that the purchased product is covered under company's product liability insurance.
- 2) Participate in lucky draw and stand a chance to win prizes worth more than RM15,000.

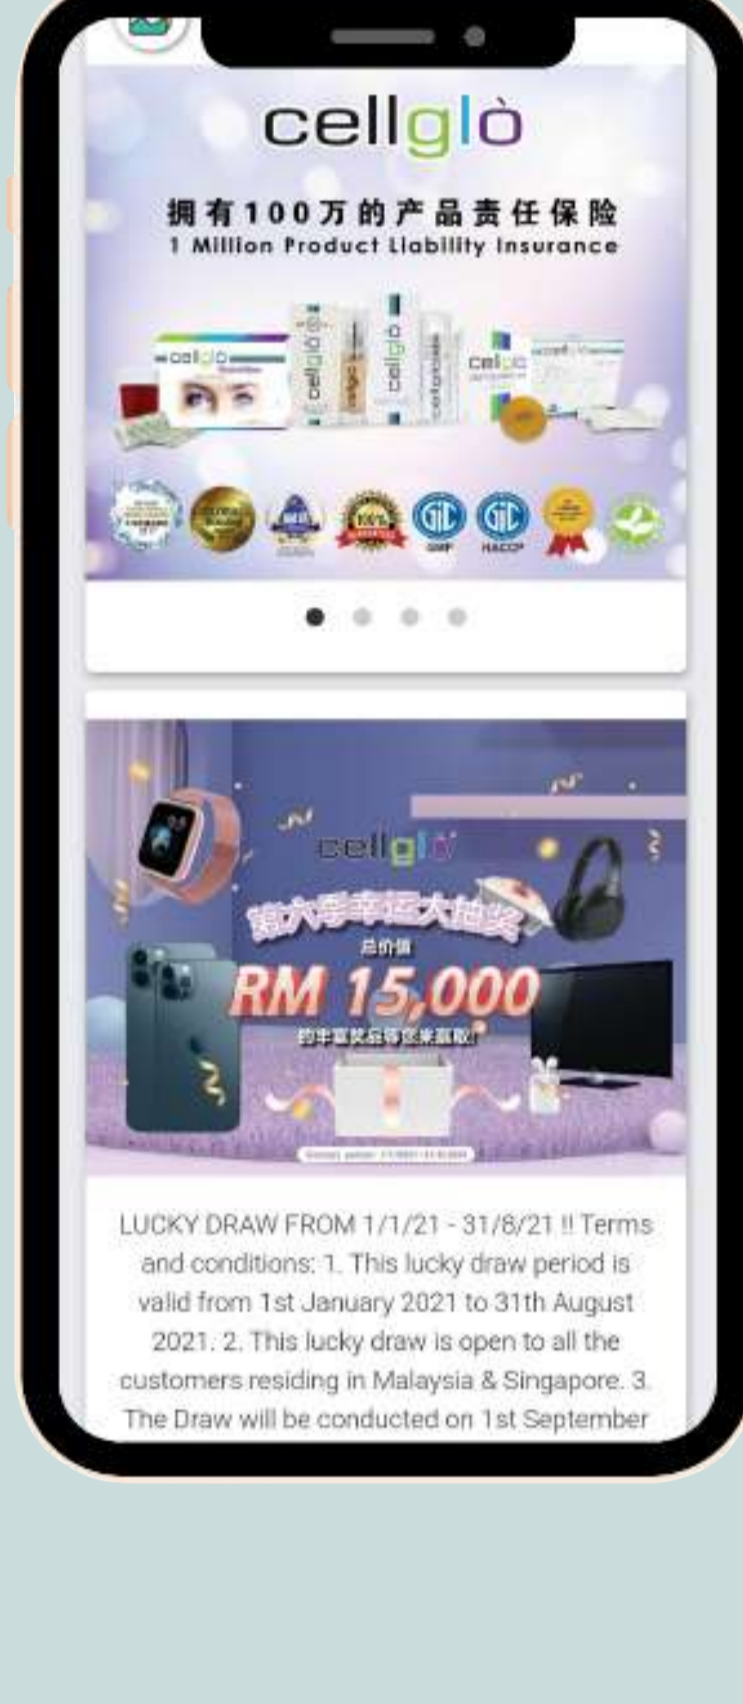

## STEP 1

Use your mobile phone to scan the QR code on the box.

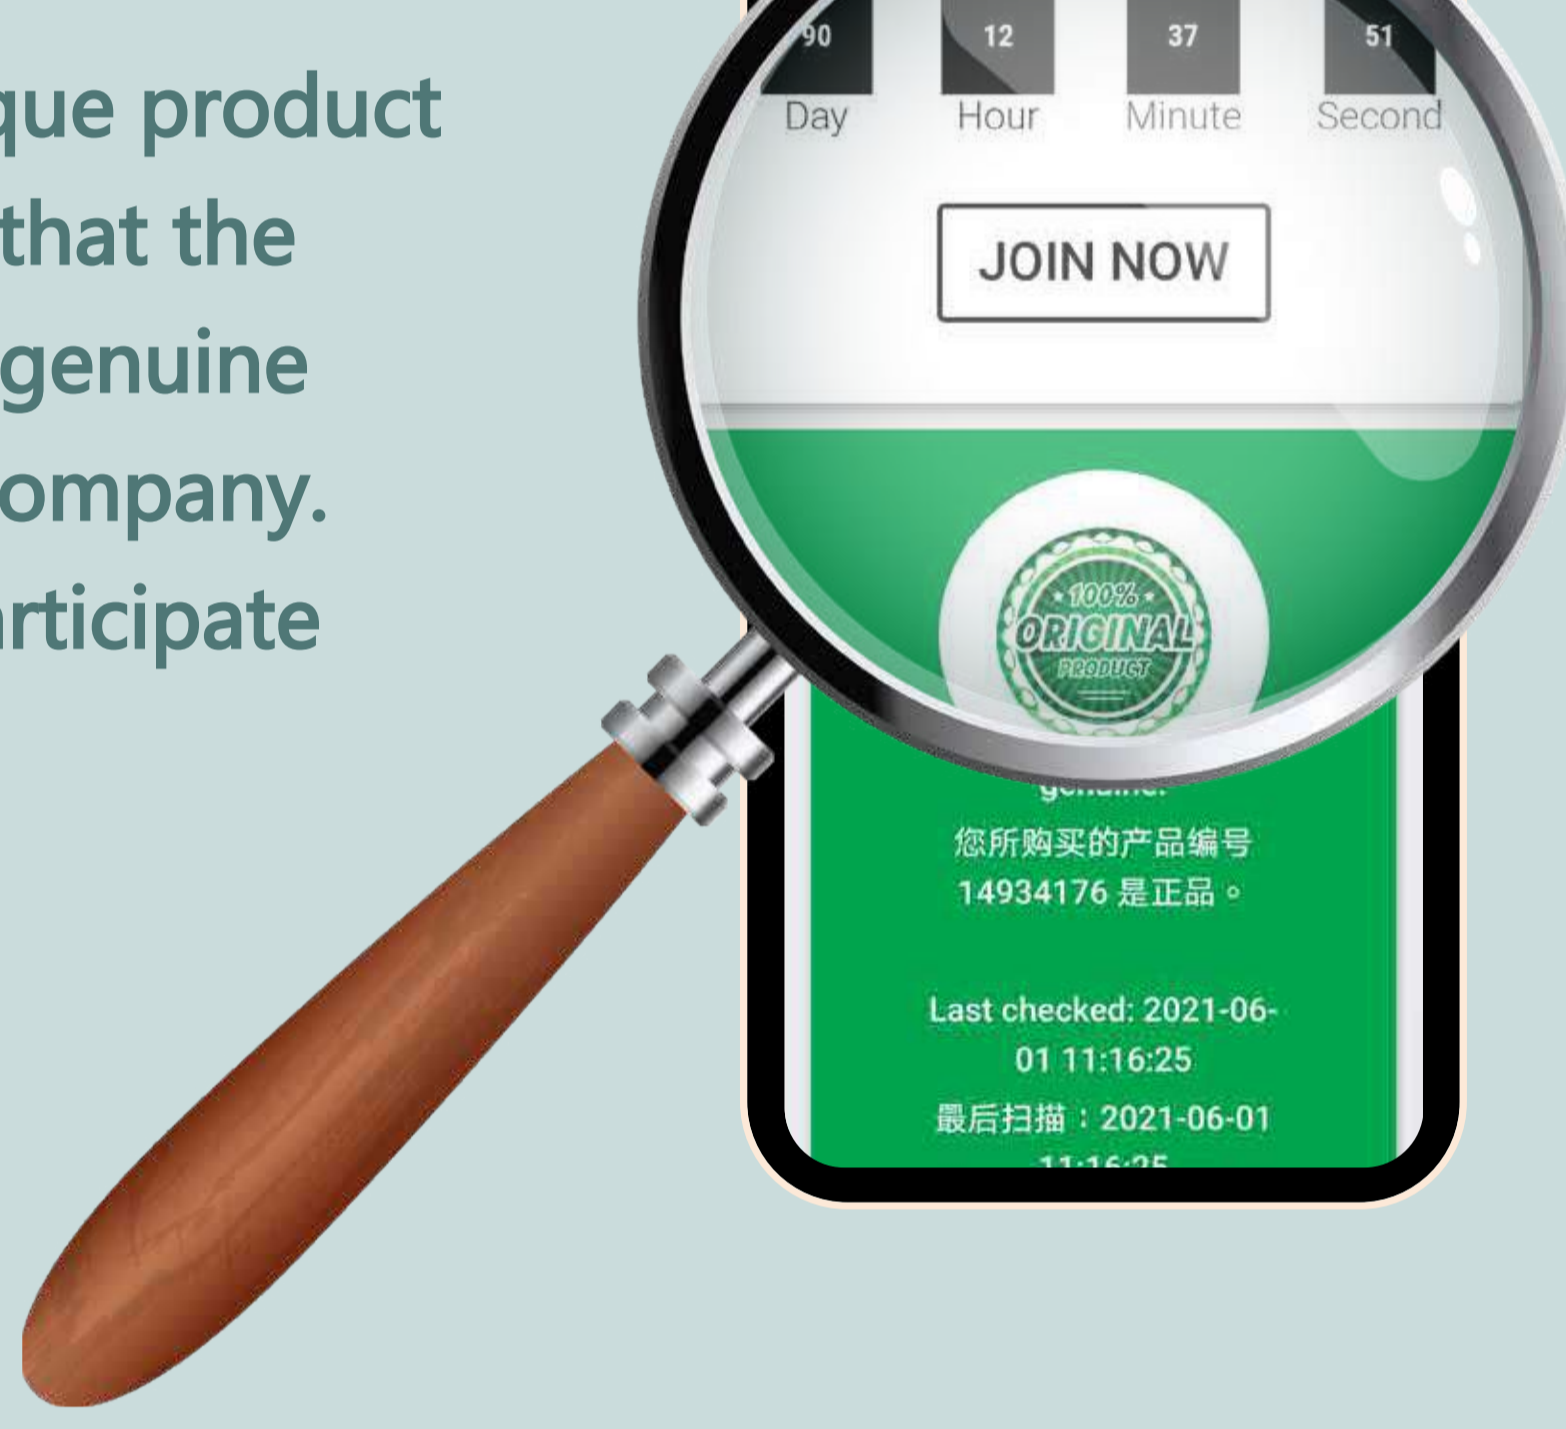

## STEP 2

Reaching Cellglo official product verification & lucky draw main site, swipe up and carefully read the terms and regulations of Lucky Draw Activity.

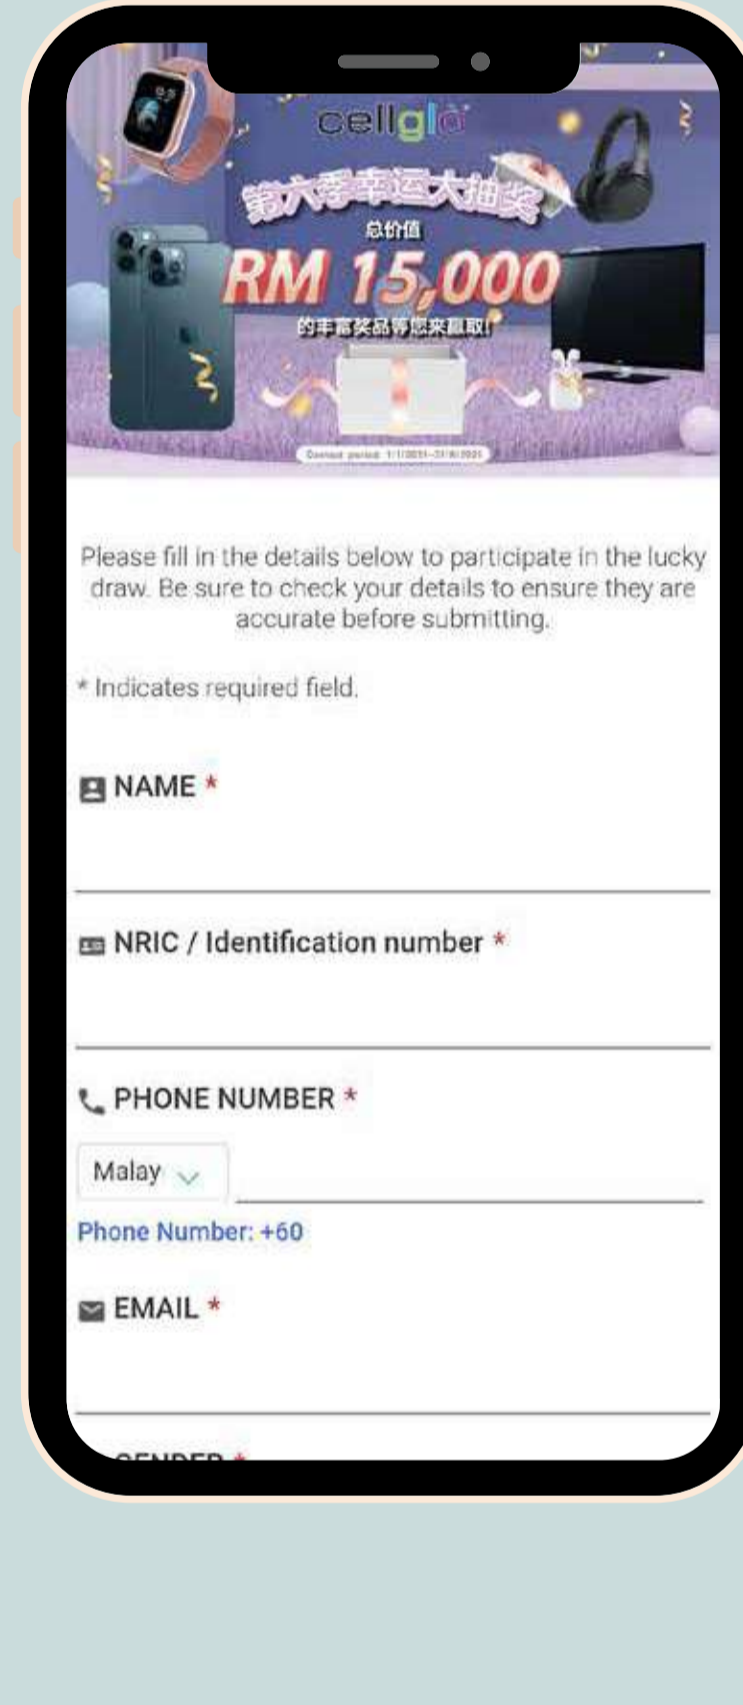

## STEP 3

Each product has a unique product serial number to prove that the purchased product is a genuine product issued by the company. Click "JOIN NOW" to participate in the lucky draw.

## STEP 4

After reaching the Lucky Draw form site, fill in all the complete information in the blanks.

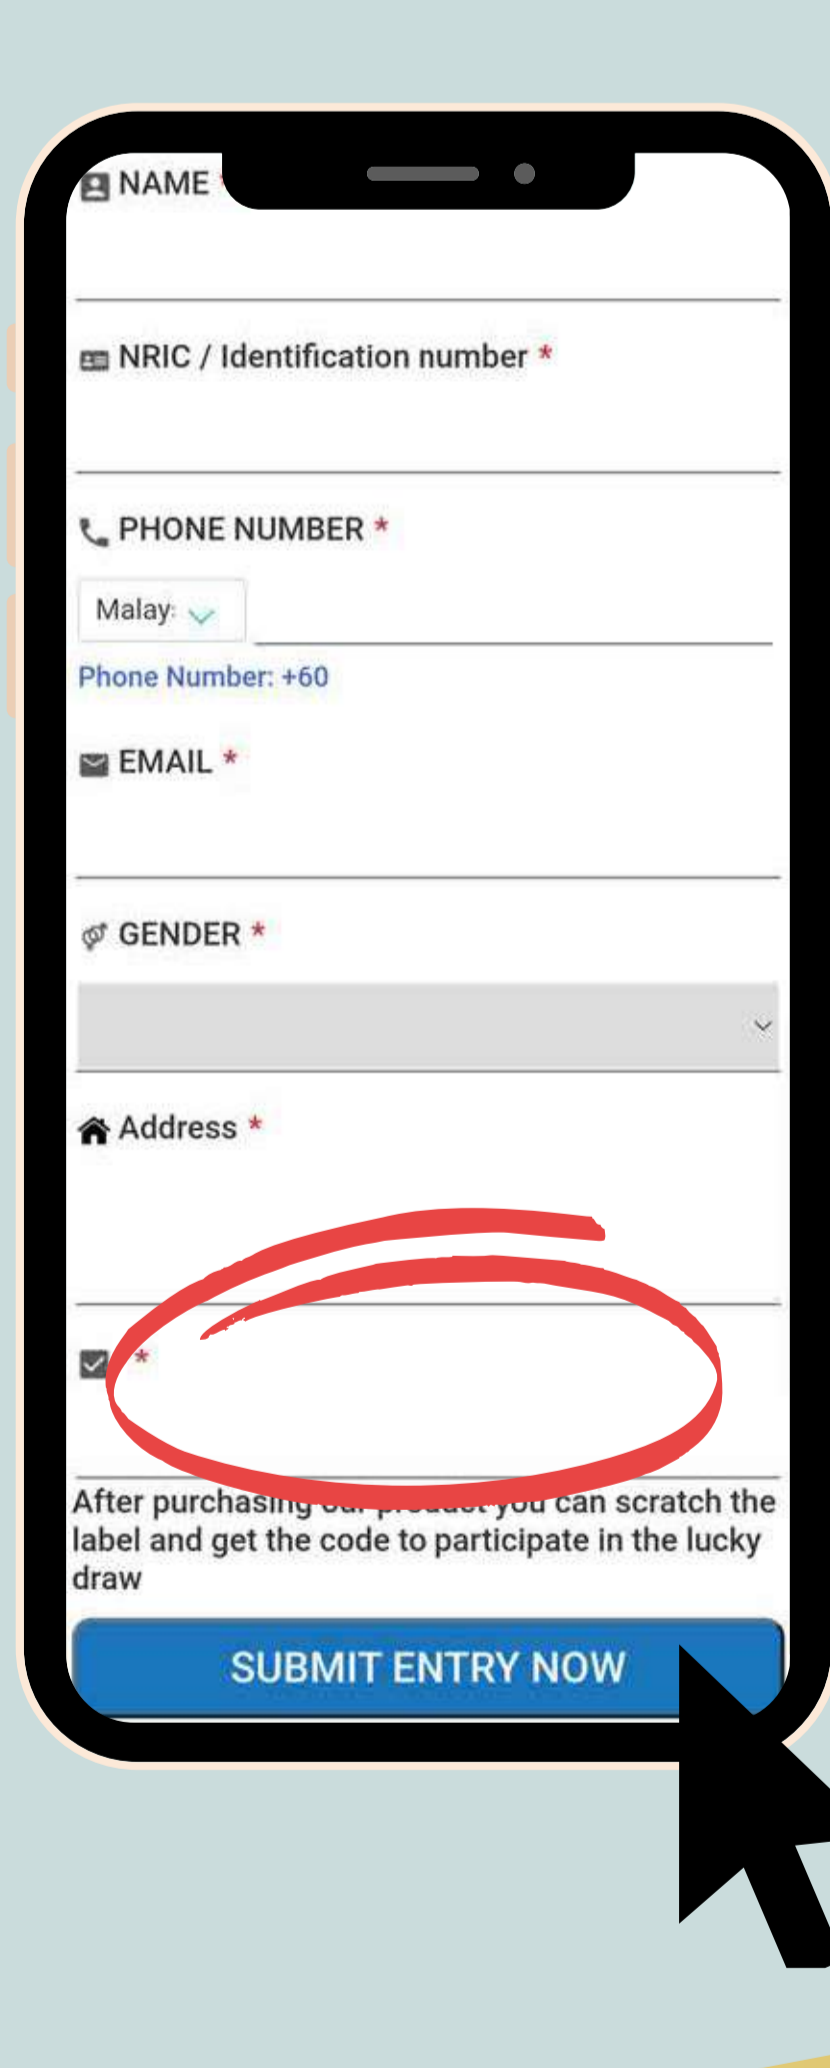

## STEP 5

Find the PIN code on the box packaging.

## STEP 6

Fill in the 6-digit PIN code in the space below the address and click "SUBMIT ENTRY NOW".

Prizes Worth **RM 15,000**  
Stand a Chance To Win!!

The Lucky Draw will be drawn live through company's FB official page according to the date mentioned.
